Farewell to Seniors

*Well, it is that time of year again; but this time around, it is **our** time. Yes, we are finally graduating!*

Looking back, we see that our lives here at Rock Hill High have been really special. Together we have laughed and cried, shared moments of shyness and insecurity, and fought our way toward goals that at times seemed like distant stars in a wide universe. We have had difficult moments; but as a result, we have learned not to give up when the going gets tough.

After graduation, many of us will be saying our final goodbyes and heading our own separate ways toward what we trust will be broad and bright futures. But, no matter where we go or what we do, we will always treasure both the memories of the times we shared at Rock Hill High and the words of wisdom from people who really cared. Here's a fond farewell, then, to "dear old Rock Hill High!"

Dedication

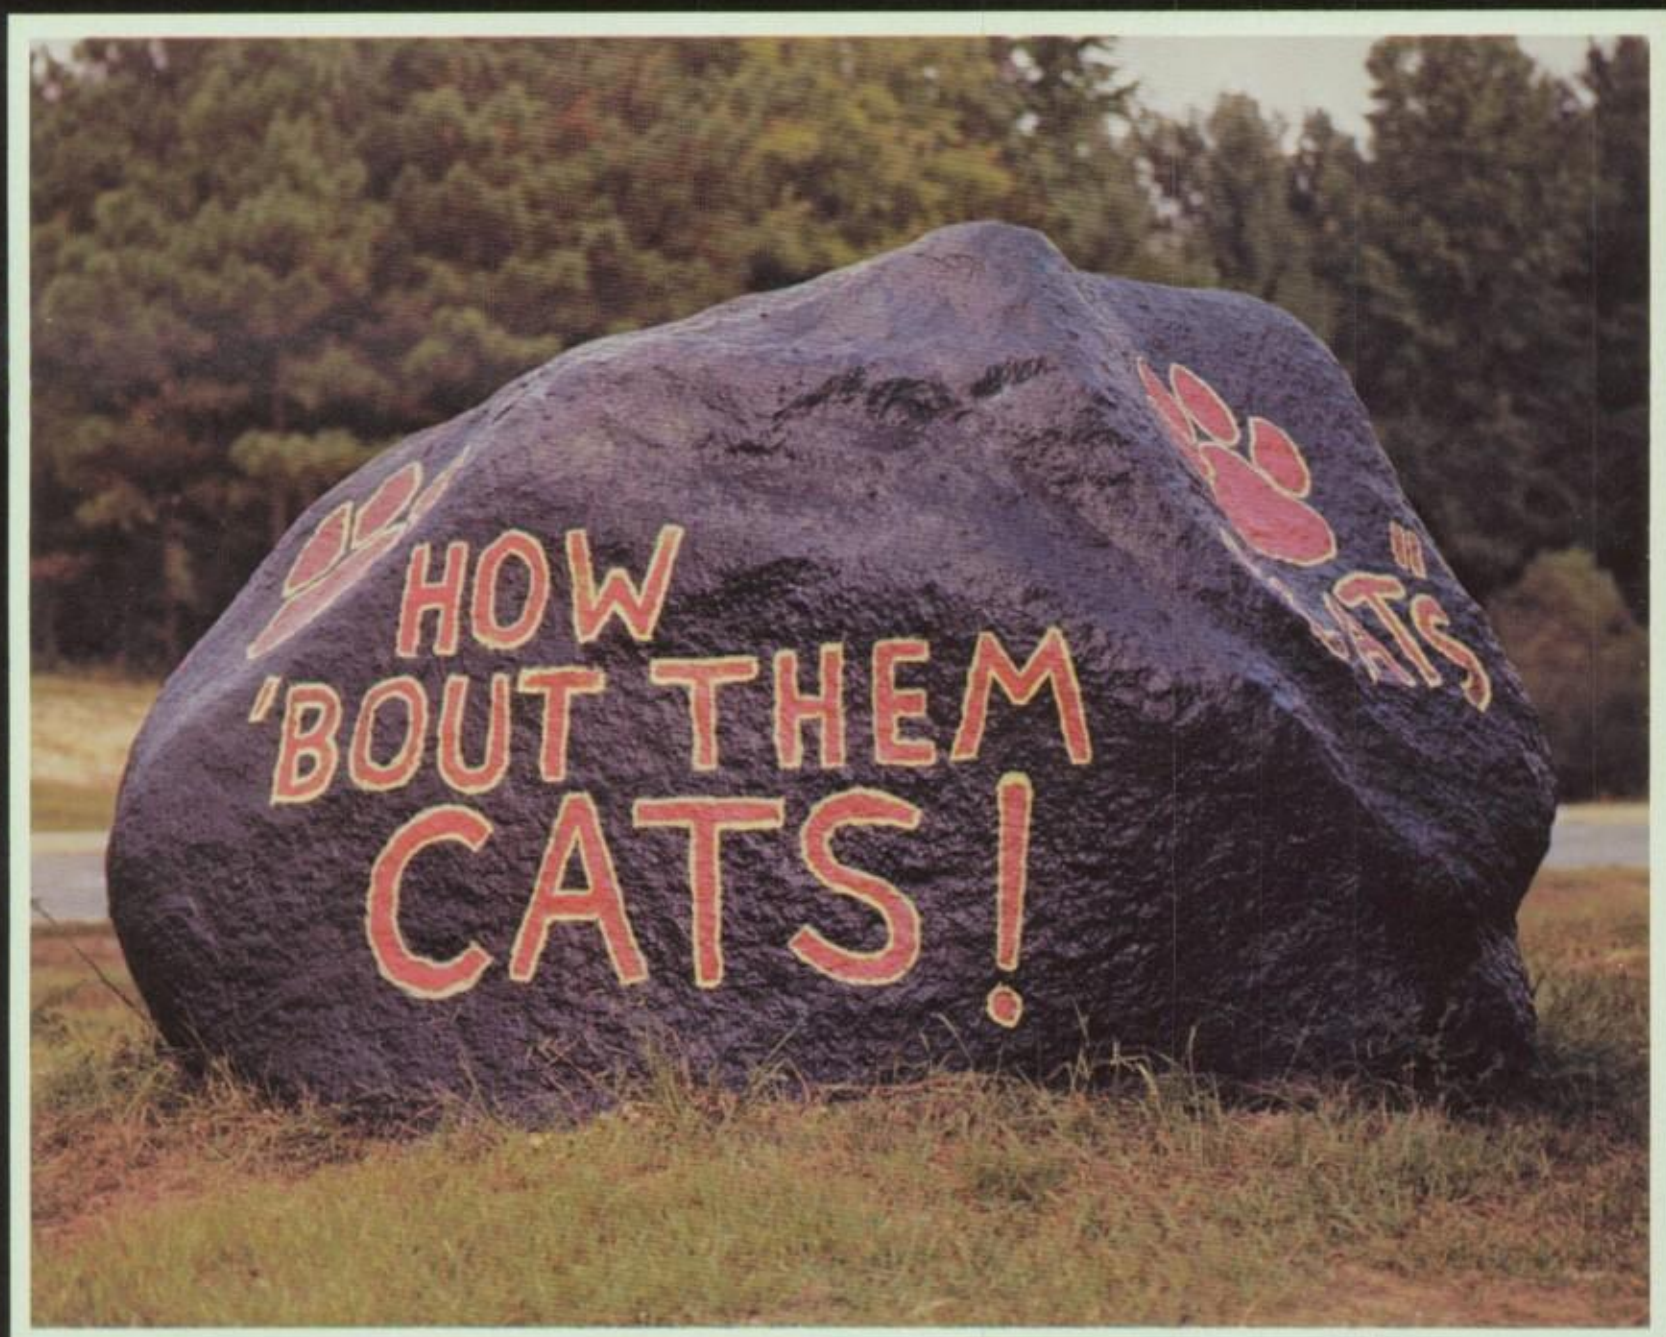

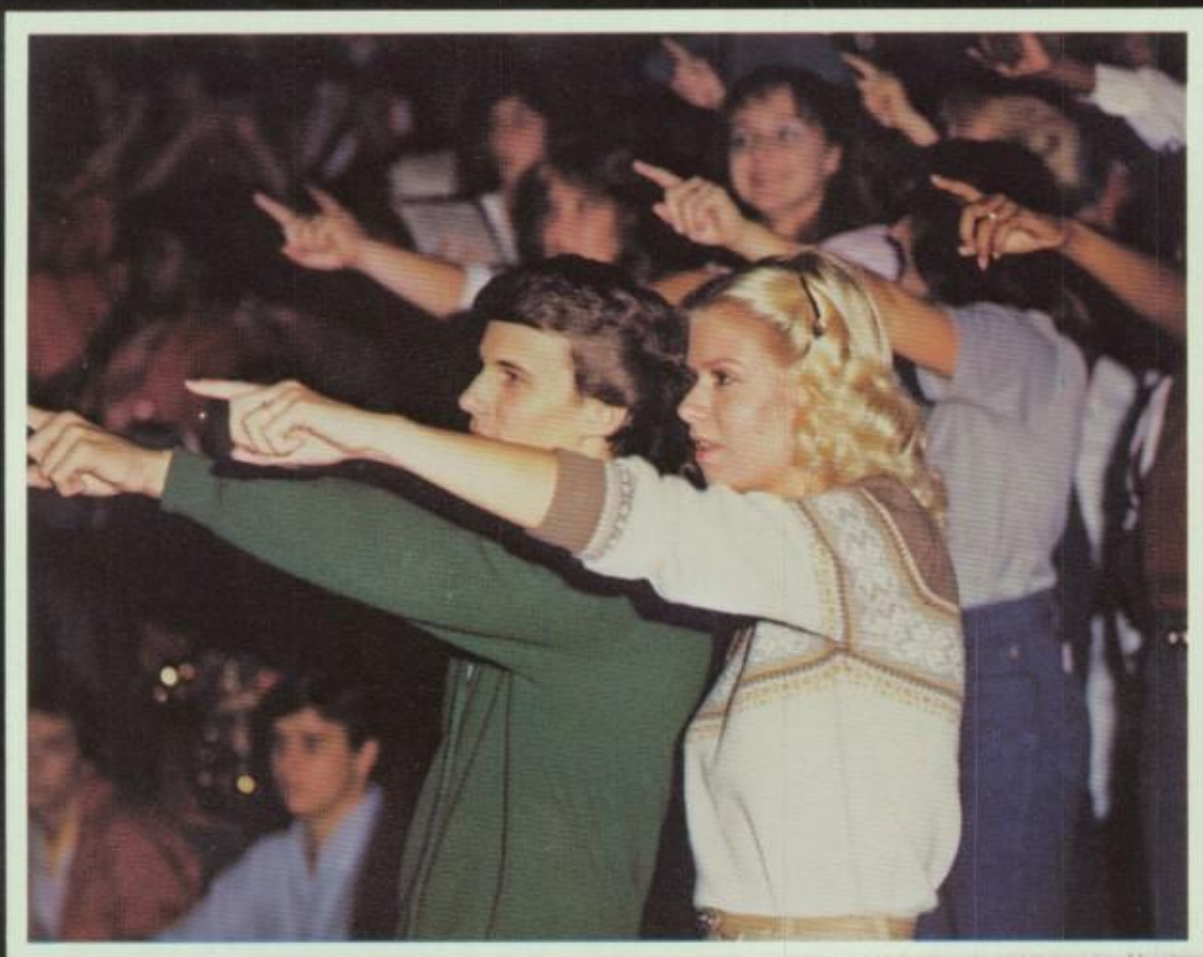

For caring more about our future than we cared ourselves, for working long hours without thanks, for instilling in us pride in our work and in ourselves, for teaching us the beauty of music, for teaching us the beauty of souls, for showing us by his example that a gift of the heart is the greatest gift of all, for implanting in us a sense of values too often forgotten by most of us, for teaching us that the only obstacle we face is self, for giving us not only his time but also his love, we, the Class of 1983, dedicate the *Bearcat* to —

Robert A. Ellwanger

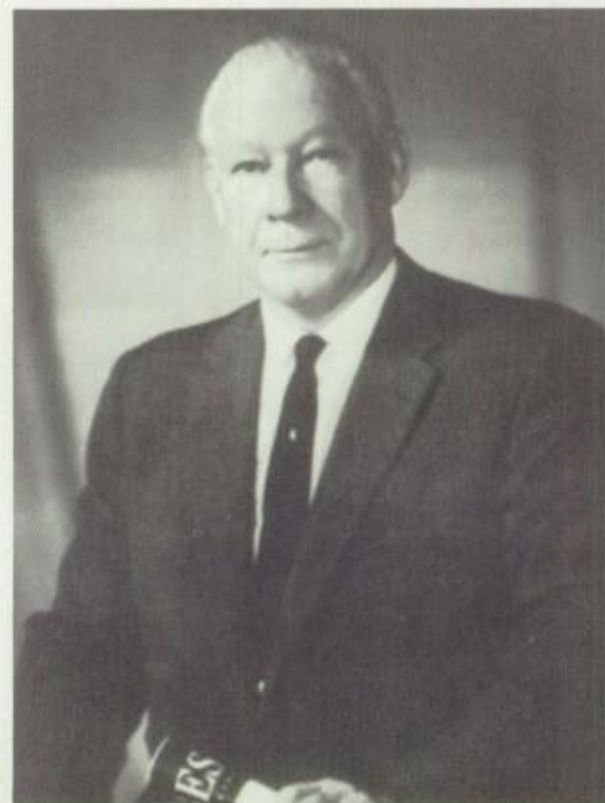

A SPECIAL TRIBUTE TO "THE FATHER OF THE BEARCATS," Dr. JOAB MAULDIN LESESNE

When Dr. J. M. Lesesne (**shown right**), now President Emeritus of Erskine College, was teaching history at Rock Hill High School from 1921 to 1930, he also coached football. During this period he came to the conclusion that the football team — and the teams for the other sports, too — needed an appropriate, descriptive sobriquet. Accordingly, he came up with the name BEAR-CATS. It was his idea to coin a term that would recall the ponderous strength of the bear and the agility of the cat. Doctor Lesesne's suggestion was adopted by the school administration and thus the athletic teams and the graduates — and even the yearbook — were named for all time to come. We salute Doctor Lesesne as "The Father of the Bearcats."

When he left Rock Hill, Professor Lesesne went to Greenville to teach history (1930-1940). From 1940 to 1954 he was head of the History Department at Erskine College; and from 1954 to 1966 he served as the eighth president of South Carolina's oldest four-year denominational college.

His wife is the former Henrietta Fennell ("Totsy") of Rock Hill. The Lesesnes have made their home in Due West since his retirement.

A Tradition Continues . . .

A career begun by Doctor J. M. Lesesne at Rock Hill High School sixty-two years ago has been expanded into two additional careers in liberal arts training through the lives of the Lesesnes' two sons. Dr. Joab M. Lesesne, Jr. (**shown left**), is now the president of Wofford College (his father's Alma Mater); and William Wallace Fennell Lesesne (**shown right**), (named for his distinguished grandfather of Rock Hill) is the dean of students of Erskine College. Rock Hill High School takes pride in its connection with a proud South Carolina tradition.

A HEARTY SALUTE TO MRS. MARY THOMSON SPENCER, "THE OLDEST LIVING BEARCAT"

The oldest known, living graduate of Rock Hill public schools is Mary Thomson (Mrs. Samuel Reid) Spencer, a resident of Columbia, South Carolina. Mrs. Spencer was born in Abbeville, South Carolina, on October 11, 1886, the daughter of Dr. James William Thomson and Sarah Perrin Thomson. Her father, Doctor Thomson, was the second superintendent of the Rock Hill Graded School (forerunner of the Rock Hill High School) and later was a venerated professor of Education and Bible at Winthrop College. He was known as "Tommy" to generations of Winthrop graduates. Thomson Hall on the Winthrop campus is named for him.

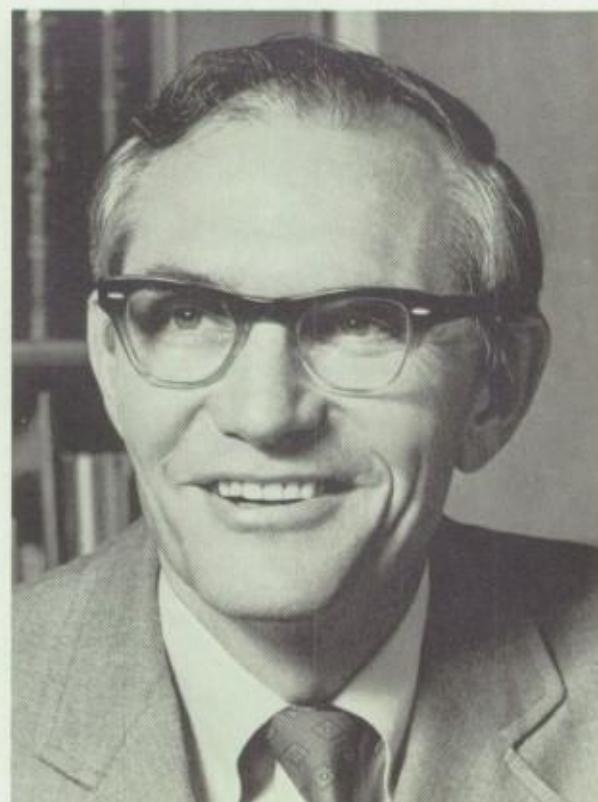

Mrs. Spencer was the first-honor graduate of the Class of 1902 of the Rock Hill Graded School. She entered Winthrop before her sixteenth birthday, finishing there in 1906. Later, she returned to teach at the Rock Hill Graded School, where she met her future husband, Samuel Reid Spencer, also a faculty member there. They were married in 1915. Two children were ultimately born to this union: Samuel Reid Spencer, Jr., now president of Davidson College, Davidson, North Carolina, and Mrs. Sarah Spencer Gramling. There are now seven grandchildren and five great-grandchildren.

Thus we see that three generations of this family have served the cause of education well and long. Rock Hill High School, the lineal descendant of the Rock Hill Graded School, proudly claims its connection with these distinguished friends and educators. We wish Mrs. Spencer well as she approaches her ninety-seventh birthday!

Mary Thomson Spencer

Eric Lessmeister is known not only as our principal, but also as a friend of the students. His door is never closed and he is never too busy to talk to anyone with a problem. As a true Bearcat, Mr. Lessmeister promotes school spirit and good sportsmanship.

Mr. Knightner does an excellent job of keeping the buses rolling. Mr. Cook keeps an ever-watchful eye on the student parking lot. Mr. Parker, with his jovial temperament, manages to maintain peace among the student body. These men are invaluable assets to the administration of Rock Hill High.

Dear Students,

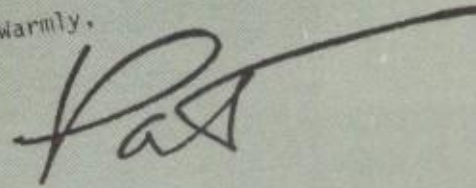

I send my most heartfelt congratulations
to all of the seniors at Rock Hill High School!

Graduating from High School is a wonderful
accomplishment, and a very exciting time in a young person's
life. I'm sure you all are looking forward to the future
and what it may hold for each of you.

Thanks for asking me to be the "judge" for your
Senior Beauty contest. I must admit that it was a very
difficult task! There are so many beautiful young ladies
at your school! I know about those beautiful "Southern
Belles", and may I add that I raised a few myself, but I
think Rock Hill High School has a corner on the market.
Hope you don't mind, but I did confer with my son-in-law,
Gabriel Ferrer (Debby's husband) on my choices. Hope you
all are pleased with what we came up with.

Best wishes to you all!

Warmly,

PB:bc

Career Development Center

The Rock Hill Career Development Center is in its tenth year of operation. There are approximately twenty-five programs included in the courses offered. Seven clubs are sponsored through the different departments and offer the students an opportunity to represent their school in extra-curricular activities. Competitive events for the different service areas have produced winners on the district and state levels.

All programs at the Center are open to both male and female students and are designed for eleventh and twelfth grade students. However, if class size allows, tenth grade students may enroll in certain programs. Usually, students will take one course at the Center and two or three courses at their home school. At the end of one year's work, students will receive elective credits (three Carnegie units) for the successful completion of work at the Center. Students in Office Occupation programs who complete the Business English course receive English credit (one Carnegie unit).

The Child Care, Health Occupations, Business Administration, and Senior Intensified programs are one year in length. The pre-engineering program is one semester in length. All other programs at the Center are two years in length. The school faculty and administration strongly encourage all interested students to participate in the opportunities at the Career Development Center.

ANNUAL STAFF

The 1983 **Bearcat** staff is made up of Juniors and Seniors who were chosen for their dependability, school spirit, and willingness to work to produce a good yearbook. Members have to write copy, supervise picture-taking sessions, draw layouts, and proof-read final copy. Staff members spent long hours after school and on Saturdays in the production of the 1983 annual.

This year's **Bearcat** is the forty-ninth volume in the series. The staff of 1983-1984, our present Junior members, will have the honor of publishing the fiftieth volume. Though the Seniors of 1983 will not be present for the Golden Anniversary, they look forward to this significant milestone in the history of RHHS and confidently expect the 1984 staff to produce the best **Bearcat** in history.

The RHHS German Club promotes interest in the German culture and language. These students, under the supervision of Mrs. Ferguson, visit an elementary school each year to teach German customs to the children. At the elementary school, the German Club sings carols in the German language, serves German candies, and decorates a Christmas tree. During the rest of the year, the club enjoys native speakers from German countries and attends several foreign language festivals in the spring. Any student who is interested in the German language and customs is invited to join the club.

FOOTBALL

The Bearcat football team in what would be Coach J.M. Wallace's last year as head coach ended the season with an overall record of 5-7. The team opened the season with a heartbreaking overtime loss to Myers Park at home, but the next week the 'Cats regrouped and won convincingly over A.C. Flora by a score of 26-8. The next Friday Lancaster came to Rock Hill and handed the 'Cats their second loss of the year.

In the first Region game of the year, Rock Hill defeated the Gaffney Indians at home. However, the next three weeks proved to be frustrating with three straight region losses coming at the hands of Spartanburg, Union, and Dorman, all on the road, and the 'Cats' record stood at 2-5. The Bearcats got back in the win column the next two weeks by defeating Lexington on the road and returning to down Boiling Springs in the 'Cats' Homecoming affair.

Entering the game with that old nemesis Northwestern, the team held a 4-5 record. Both teams played even in the first half, but the Trojans prevailed in the second half and went on to score a 19-0 win. The regular season record stood at 4-6 with the Big 16 Play-off scheduled for the next week.

The 'Cats traveled to Greenwood for the first round of the play-offs and pulled off one of the biggest upsets of the year with a 7-0 win over Greenwood in a rainstorm. Undefeated Irmo was to be the foe in the second round. The 'Cats fought hard but fell to Irmo by a score of 13-0 in Columbia to end the 1982 football season.

The entire football team, though small in the size of the players and size of the team itself, progressed each week. With practice beginning in August and ending in November, the 1982 Bearcats endured a long season but a rewarding and enjoyable one as well.

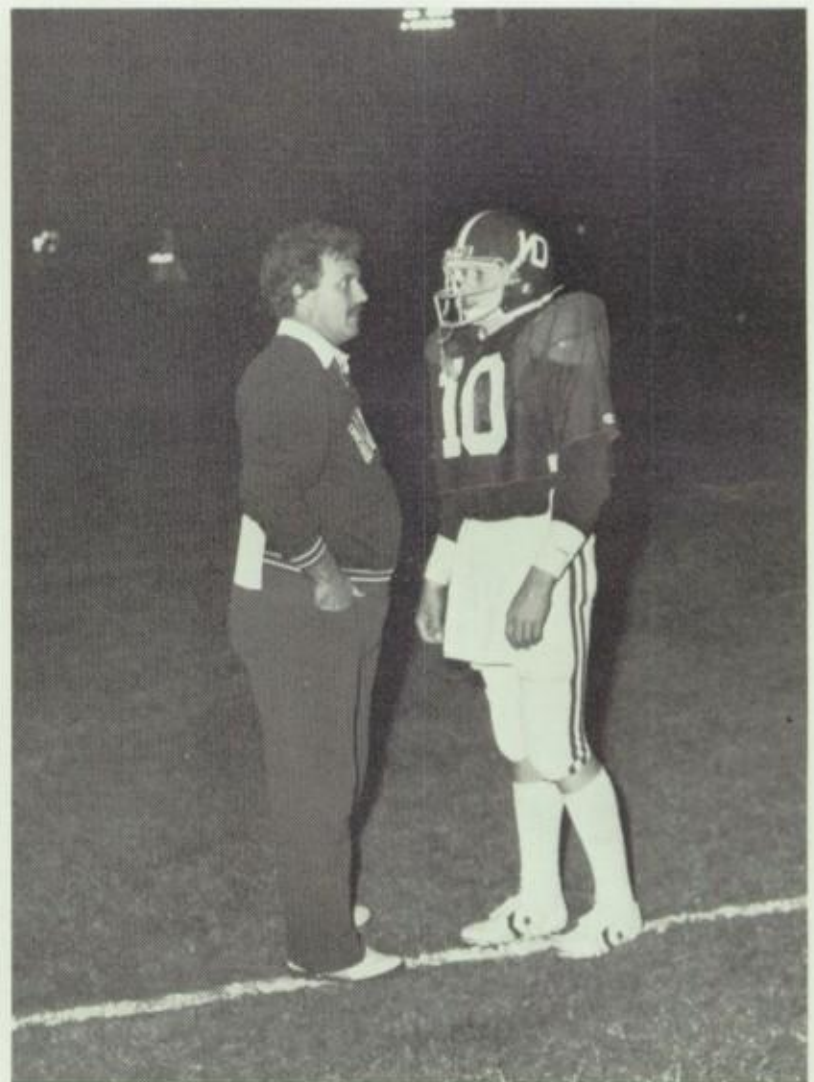

'Cats await the call.

Here we go again!

Bearcats celebrate another touchdown.

The JV team of 1982 did not enjoy a successful season. The team ended the season with a 1-8 record. However, the main purpose of the JV football season is to prepare the JV players for varsity competition. Practicing with the varsity team and learning under Coach Winborn, the JV 'Cats will be ready when the varsity football season arrives next year. The 'Cats got their only win of the year against Union by a score of 6 to 3.

BOYS' BASKETBALL

The 1982-1983 Varsity Boys had an up-and-down season with a record of 8-14. The 'Cats, guided by Coach Jim Bolt, opened with a thrilling triple-overtime win over Harding High in the Bearcat Den by a score of 72-70. The remaining part of the season saw the 'Cats advance to the finals of the Sertoma Christmas Classic, the largest high-school basketball tournament in the Carolinas, only to fall to Northwestern in the title game. Senior Emmett Browning was placed on the All-Tournament Team and was named Most Valuable player in that tournament.

The 'Cats did not fare so well in Region play, compiling a 1-10 record. However, Region II AAAA proved to be a powerhouse of a conference in 1982-83, with the likes of Dorman, Spartanburg, Gaffney, and Northwestern. The 'Cats continued to work hard throughout the season despite their losing streak. All the Seniors on this year's team will be missed and the Juniors and Sophomores can be counted on for a good performance next year. Besides Emmett Browning, who was one of the leading scorers in the state this year, Howard Chisolm, Wendell Dixon, Chalmers Jackson, and Sammie Reid all will be finishing school this year.

The splendid climax of the season came on Thursday evening, February 24, 1983, when the Bearcats stunned the Northwestern Trojans 55 to 36 in the Winthrop College Coliseum. That evening made all the hard work and the struggling worthwhile!

Varsity try-outs were held in the spring of 1982 with seven Seniors, five Juniors, and one Junior alternate elected. Practice began immediately and the squad conducted a spring clinic for prospective Gray-Y cheerleaders at the YMCA. They also conducted summer camp at the Y.

After many hours of practice the squad journeyed to Charleston in June for sightseeing and attended USCA Camp at Baptist College. At the end of four days they were awarded the USCA National Championship Team — First Place — award. In August, after raising money all summer the squad flew from Charlotte to Lansing, Michigan, to compete with all other First-Place winners at camps all over the nation. They received a plaque recognizing them as Twenty-first in the Nation — a very great honor indeed.

This year's squad was limited on pep rallies because RHHS was getting a new gym floor, but these spirited young ladies held several pep rallies outside — one from the back of a truck!

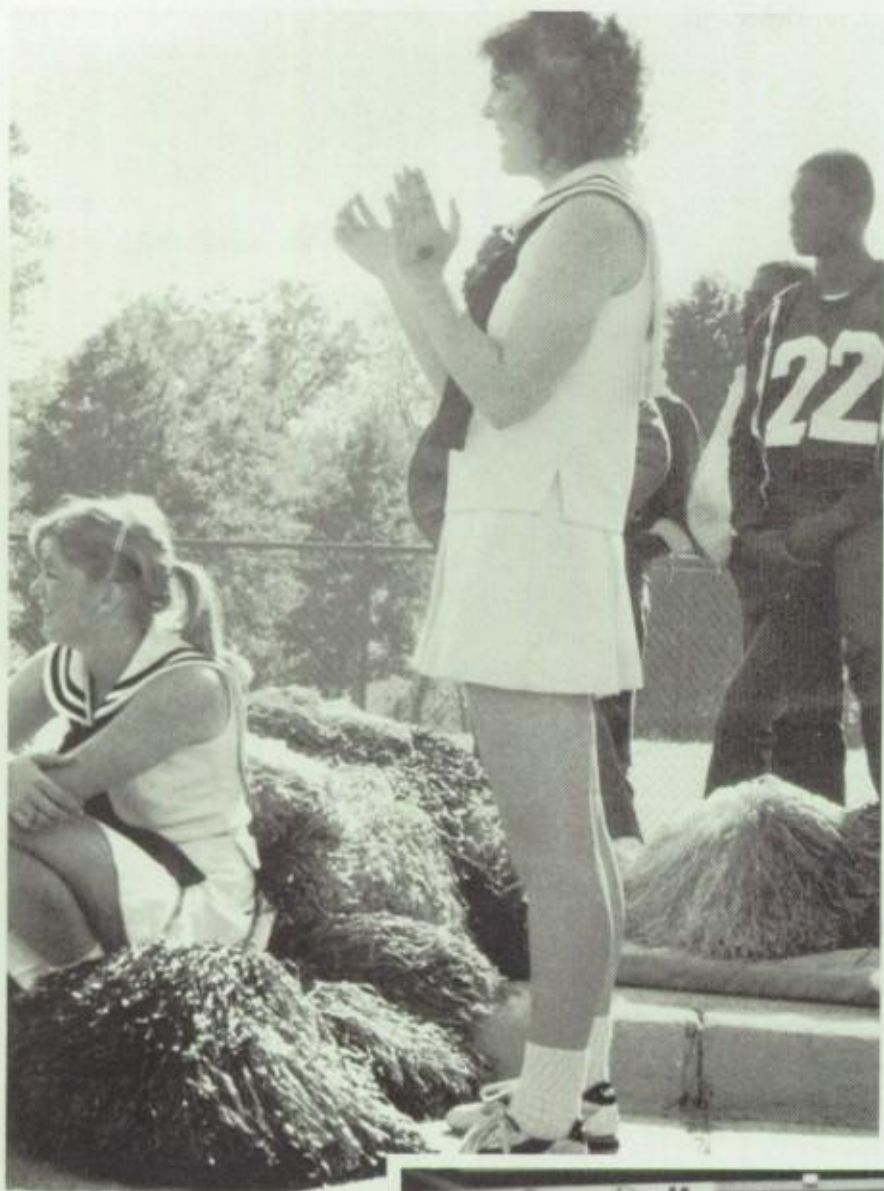

The 1982-1983 cheerleaders also won first place in the ECA Regionals in Charlotte and at this printing are going to compete in the Nationals in Williamsburg, Virginia, in the near future.

This squad has received many other honors and many compliments, but most outstanding is its ability to show that true Bearcat Spirit! RHHS will long remember the Cheerleader Squad of 1982-1983.

In March, 1983, the cheerleaders won the Eastern Cheerleading Association championship, with competition held at Williamsburg, Virginia. Again the same month they won a tie for second place in the 10th Annual Carowinds Cheerleading Competition. Thus ended the most successful season for the cheerleaders in the history of Rock Hill High School.

The Junior Varsity Cheerleaders showed true Bearcat Spirit with their energy and enthusiasm during the '82-'83 school year — during both football and basketball seasons. The JV squad won the "Coke Is It" Spirit Trophy at the fall competition at Carowinds. They also won First Place at a regional competition sponsored by Eastern Cheerleaders Association.

CROSS COUNTRY

RHHS Cross Country Team. (Left to right:) Calvin Pickett, Tommy Hays, Kevin Murphy, Trey Turner, Chris Low, Jim Koterba, Scott Foulds, and Jimmy Dixon.

The 1982 Cross Country 'Cats enjoyed another fine campaign. The 'Cats ended their season by placing as the sixth-best team in the state meet held at Fort Jackson, Columbia, S.C., with a record of 4-2.

Losing only twice within the Region, to Spartanburg and Dorman, the 'Cats defeated Northwestern three times during the year. The team also competed in the McAlpine Coaches Invitational Meet, held in Charlotte, N.C., and finished eleventh out of twenty-four teams.

Individual award winners for the 'Cats this year were Senior Calvin Pickett, who placed on the All-Region and All-State Teams. Calvin finished as the runner-up in the state meet as well. Junior Kevin Murphy also placed on the All-Region Team. Other Senior members on this year's team included Tommy Hays, Chris Low, Scott Foulds, and Captain Jim Koterba.

Still in the process of increasing its popularity in the United States soccer has become one of the most challenging and most popular sports in the "Bearcat Society." With an attitude of "together we can," the Bearcat Soccer Team fought very hard to win, yet had to suffer the tremendous frustration of several defeats.

Indeed, true spirit was shown by the Soccer Team, which in many games shed lustre on the name of Rock Hill High School. Since soccer is still young, next year's team will be needing more support than this year's Bearcats. Let's work together and help recognize the team and the game as well!

The coach of the Team is Bill Braswell.

FAREWELL TO COACH JIMMY MACK WALLACE!

Rock High High School says good-bye this year to Coach J.M. Wallace, who has served ably as Head Football Coach and Director of Athletics of Rock Hill High School for the past seven years. Coach Wallace goes to Wofford College, at Spartanburg, South Carolina, to become Assistant Football Coach and Director of Recruiting for the well-known liberal-arts college. Coach Wallace, his wife, and his children have been a vital part of the Bearcat family ever since they came to this school. RHHS wishes them bon voyage as they go to Spartanburg to join the Wofford community.

WRESTLING

The Rock Hill High School Wrestling Team has once again been judged the best in South Carolina in Region II AAAA competition. These hard working young men, ably coached by Mr. Barnes assisted by Mr. Biddix, have dominated the Region, the Upper State, and the State meets. Every Bearcat can be proud of a dedicated group of athletes who have made the name of Rock Hill High School the most feared name on the mats in South Carolina. There is nothing like winning, and our team has proved that they are the best — and they have proved it the hard way, by getting out there and beating all the opposition that came forward. State first-place winners were Rodney Hinton, Stan Smith, Jon Ford, and Sam Hope.

The 1983 Lady 'Cats Track Team has high hopes and a lot of ambition for this year. Their coach, Debbie Hammond, said that last year's team was small but has had a lot more participation this year, so results will probably be better. RHHS lost Region and Upper State Champion Connie Eish. But returning from last year are Mary Manion and Barbara Comer, who are both very valuable to the team.

Lisa White, a Senior, was nominated for All-Region. The future holds a bright outlook for the returning members of the team. As for this year, Coach Debbie Hammond considered it a building year and looks forward to the next season.

While the 8-10 record of the RHHS Golf Team in 1982 was not the best, the team was still very young. But they were inspired to give the game time and effort and were resolved to do better next year. With the returning players the team has the potential for a very successful season in 1983-1984.

With the return of Kevin Freeman, Steve Prevatte, and with the addition of Brad Owen, the Rock Hill Racketeers plan to dominate the courts this season.

THE BEARCAT PRAYER

Teach us, Good Lord, to serve Thee as Thou deservest; to give and not to count the cost; to fight and not to heed the wounds; to toil and not to seek for rest; to labor and not to ask for any reward, save knowing that we do Thy will; through Jesus Christ our Lord. Amen.

— Saint Ignatius of Loyola

ALMA MATER

We sing to thee, our Alma Mater,
From hearts that glow with pride sincere.
Thy mem'ry ever lingers with us
Though we be scattered far and near.
Whate'er we win of fame or fortune,
For High School days we oft will sigh.
We'll cherish still our Alma Mater,
Our dear old Rock Hill High.

Let loyalty now be our watchword,
A theme that's dear to one and all.
Though far away we oft may wander,
We'll ever hear thy ringing call.
Our thoughts will linger with thee ever;
Our hopes and dreams will e'er be true.
Our hearts forever will be loyal,
Dear Rock Hill High, to you.

— Catherine Timmerman Moore

FIGHT SONG

On, you Bearcats! On, you Bearcats!
Fight on through that line!
Take the ball down to the goal post!
Touchdown every time!
Fight! Fight! Fight!

On, you Bearcats! On, you Bearcats!
Fight on for your fame!
Fight, Bearcats! Fight!
And we will win this game!

ACKNOWLEDGMENTS

We present to you the culmination of our efforts from the past year. The memories, records, and facts between these covers will, we hope, in the years to come hold a special place in all our hearts.

The Sophomores have spent the year learning what being a Bearcat is all about. The Juniors will be next year's leaders at The Rock, and will have special times such as those experienced by the Class of '83. We have faced challenges and learned how to handle many of life's difficult moments. The education we have gained from our years at Rock Hill High will remain with us no matter what the future holds for us.

As we leave Rock Hill High School, we give to you this **Bearcat** as a record of the events of the school year belonging to the Class of 1983. We sincerely hope that you will treasure this book as you will treasure your Senior year at Rock Hill High. As we become a part of Rock Hill High's past, we ask that you remember the words of someone who really understood. "It is not what is in front of you that blocks your path. It is what is inside you that holds you back."

And now, with much gratitude for all the help, time, and effort which aided in the production of this book, we wish to express our love and special thanks to the following people:

- Eric G. Lessmeister, Robert H. Parker, and the faculty and staff of Rock Hill High School, for their support, co-operation, and patience in working with the staff;
- The **Evening Herald**, for several good photographs;
- Miss Irene Kneece, for all the pictures and copy for the CDC section;
- D. Sam Cook, Worth Strecker, and Mike Carroll, for many of our best photographs;
- Mr. and Mrs. Horace Blackston and Bill Blackston, for their excellent photography, good advice, and sense of humor in difficult moments;
- Pat Boone, for selecting the Senior Beauties of 1983; and
- William B. White, Jr., without whom this edition of the **Bearcat** would not have been completed, for his guidance, words of advice, friendship, and unfailing support.

The 1982-1983 **Bearcat** Staff

you do and with Susan (I
hope she's still going down). Take
care and I hope to see you in

4-even!

Honey,

I don't know exactly where I should begin. I guess I would like to say "Thanks for loving me for what I am." It's very seldom in a person's life they find someone who loves them like you love me. Some people never find that one special person, but I thank the Lord above I've found you! From the first day I laid eyes on you, I knew that you were the one I wanted and I wasn't going to give up until I had you. Well my mind has changed a little since then, because I have you now and I'm going to do everything in my power to keep you. So far I've been able to keep you for six months and one half of a month. This has been the best part of my life and I want you to know how much I love you for making me the happiest girl in the entire world. You'll never know how many times you have made my entire day simply by saying "I love you, honey." We've been through a lot of trials and tribulations to test our love for each other, and we made it through every one of them. Love is not easy, but it's a lot easier when you wake up with something to keep you going all day. I don't know what I would do without your loving arms around me. Without you I would be sad, lonely, depressed, and have no one to share my happiness with. But I don't have to worry because I have found all the peace, comfort, and joy in you, Sweetheart! It's just not going to be the same when you have to set out on December 28 to make a career for us when that special day,

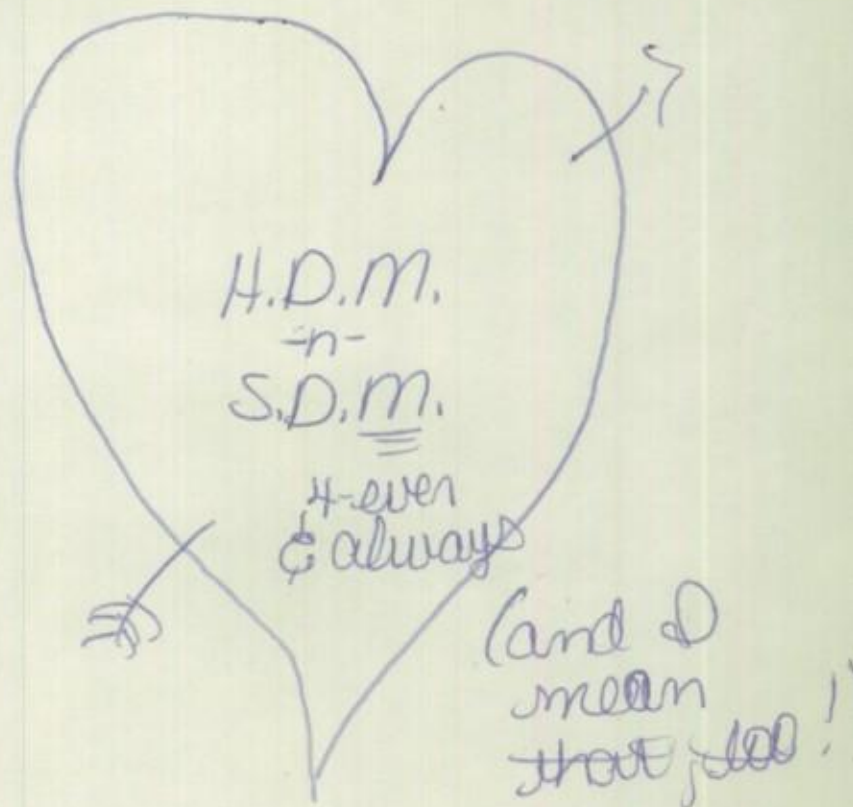

is here and I get to say, "I do!" And baby
I can assure you that I will miss you
more than anything, but I'll always be
able to hear the words you so often say: "I
love you." Honey, if I've never said it before
I'd like to say it now, "I love you just the
way you are!" Thanks for a new beginning in
my life. I'll always treasure our memories
together and keep looking ahead to the BIG
DAY when we get to pledge our love to each
other! I just want to hold you in my arms
forever!!!

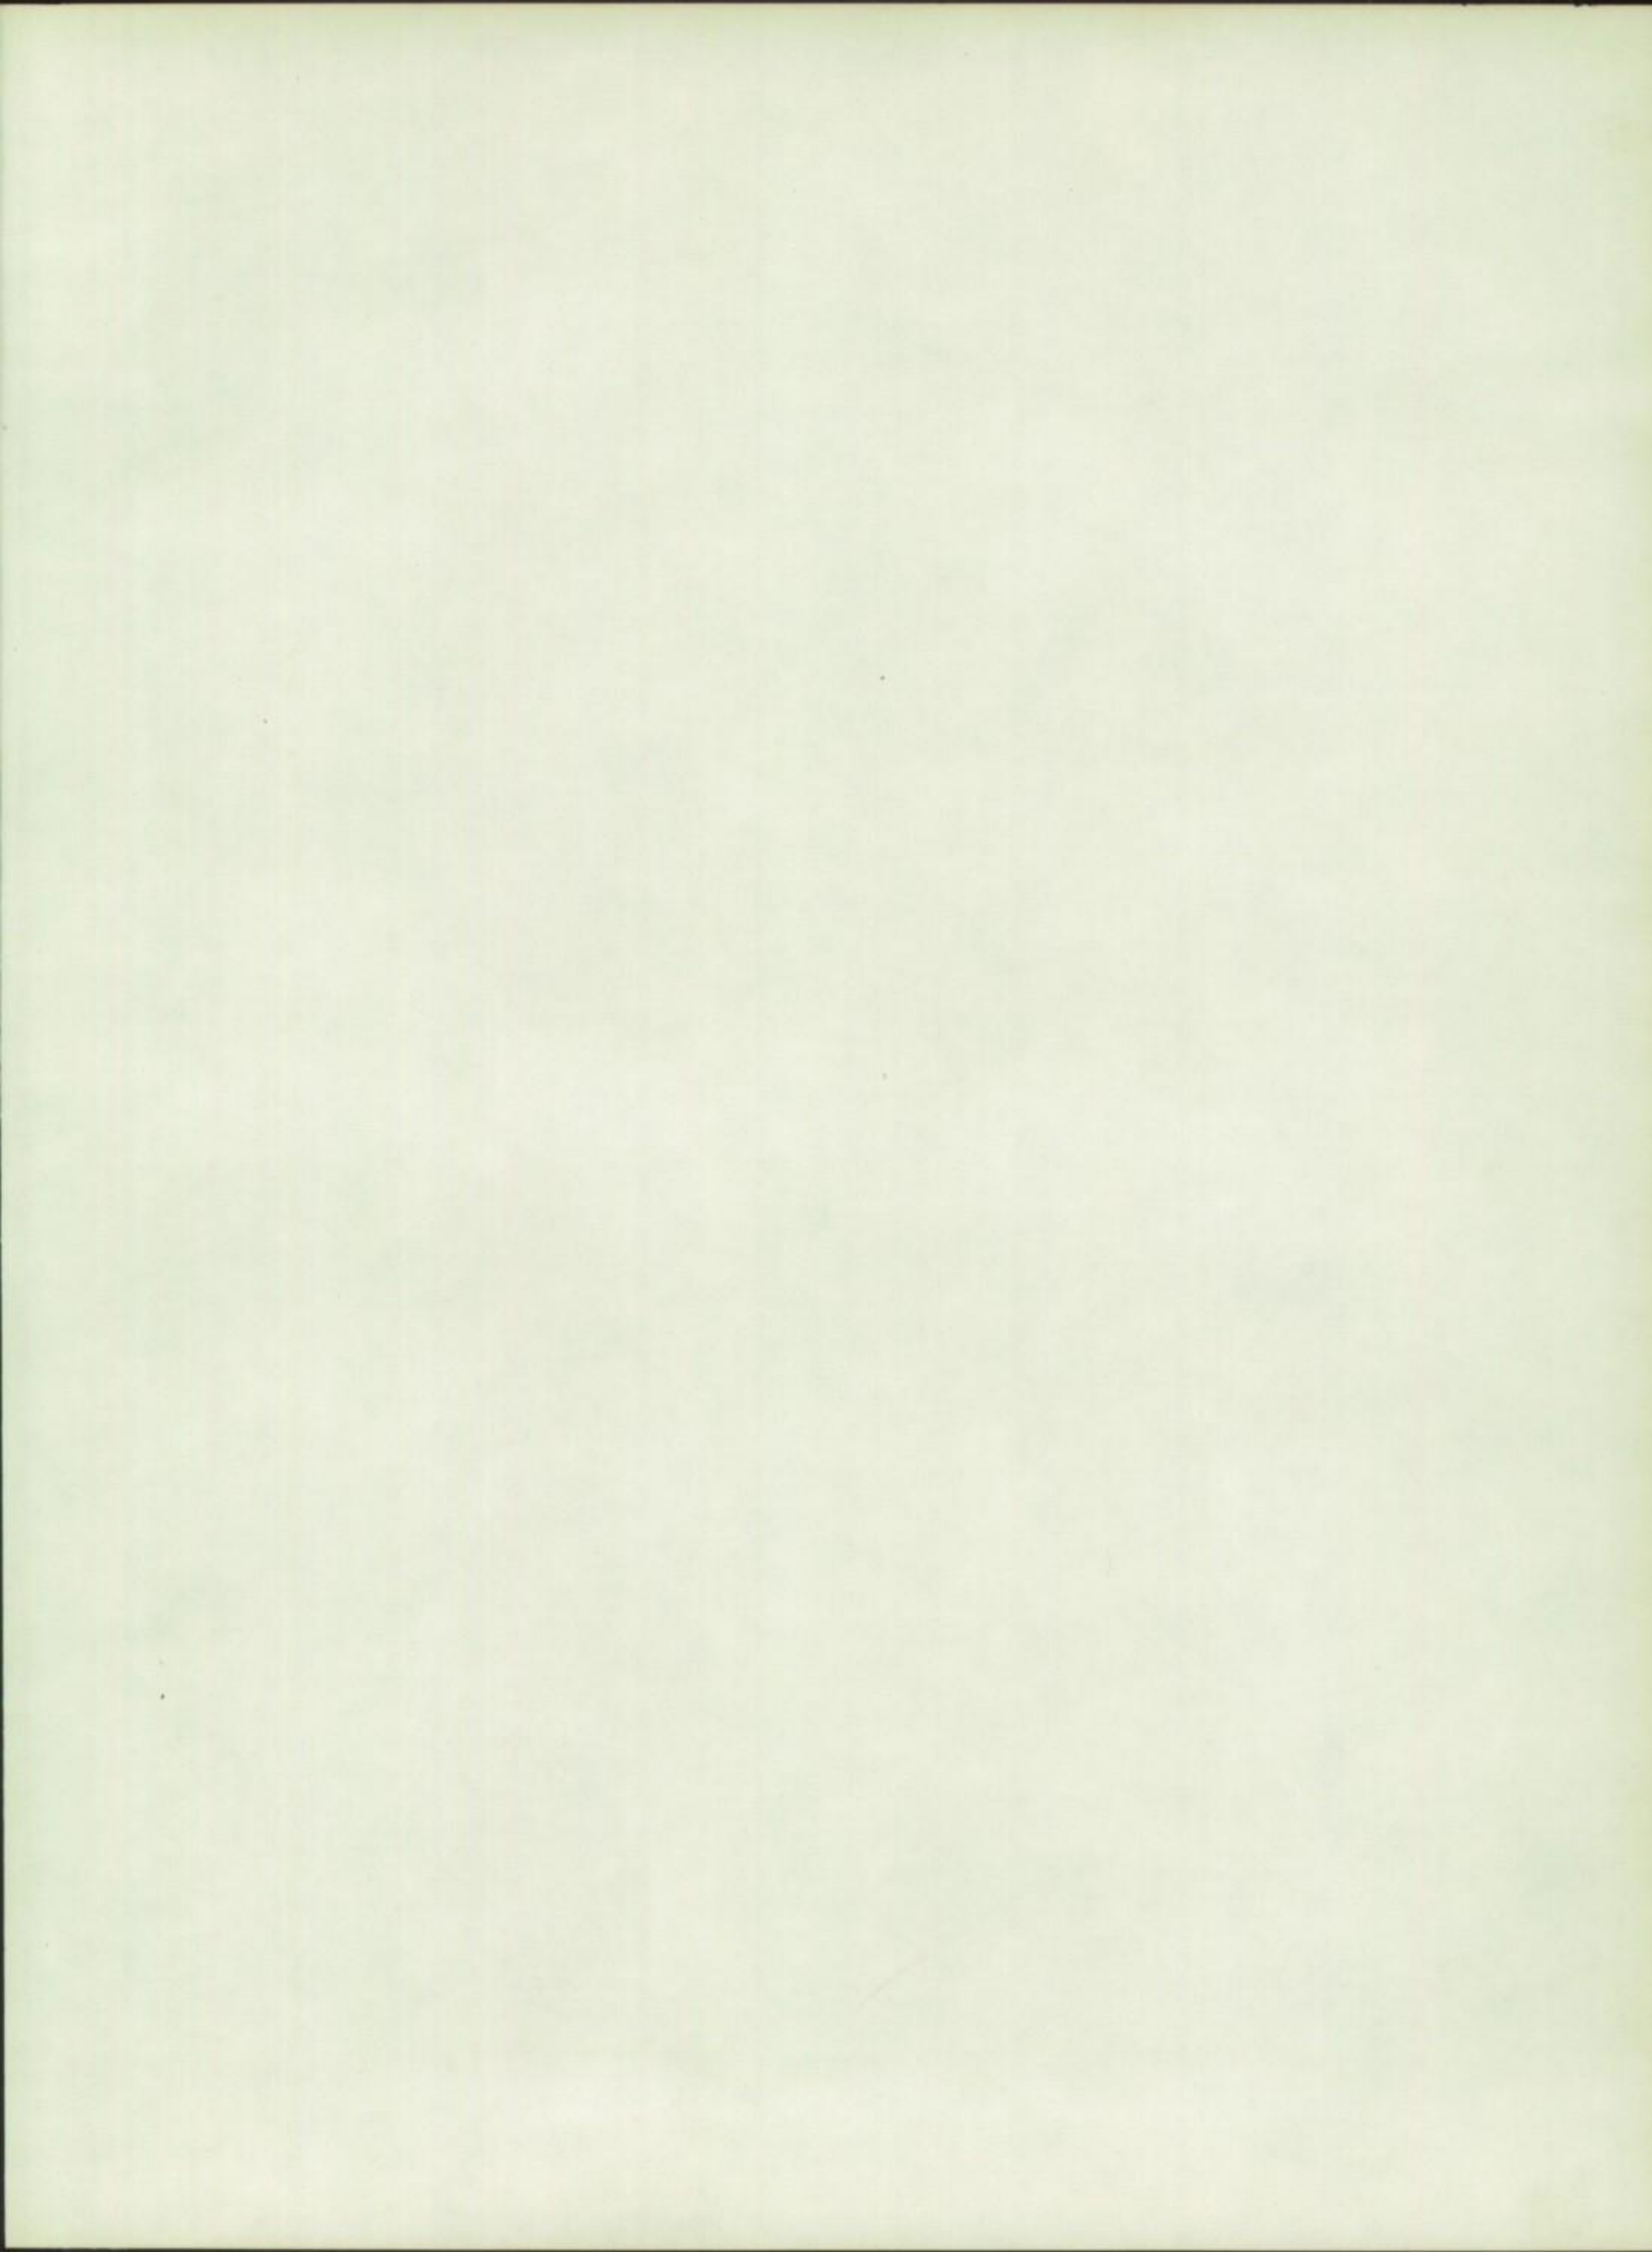

I Love You, Honey!

Susan

P.S.

All I've ever wanted
was to make you the
happiest man on earth
and I'll always strive to
reach that goal for as
long as we both shall
live. You have made
me happier than you'll
ever know, and I just
want to repay you for
everything. Thanks for
always being there when
I needed you the most!
I'll love you forever!!!

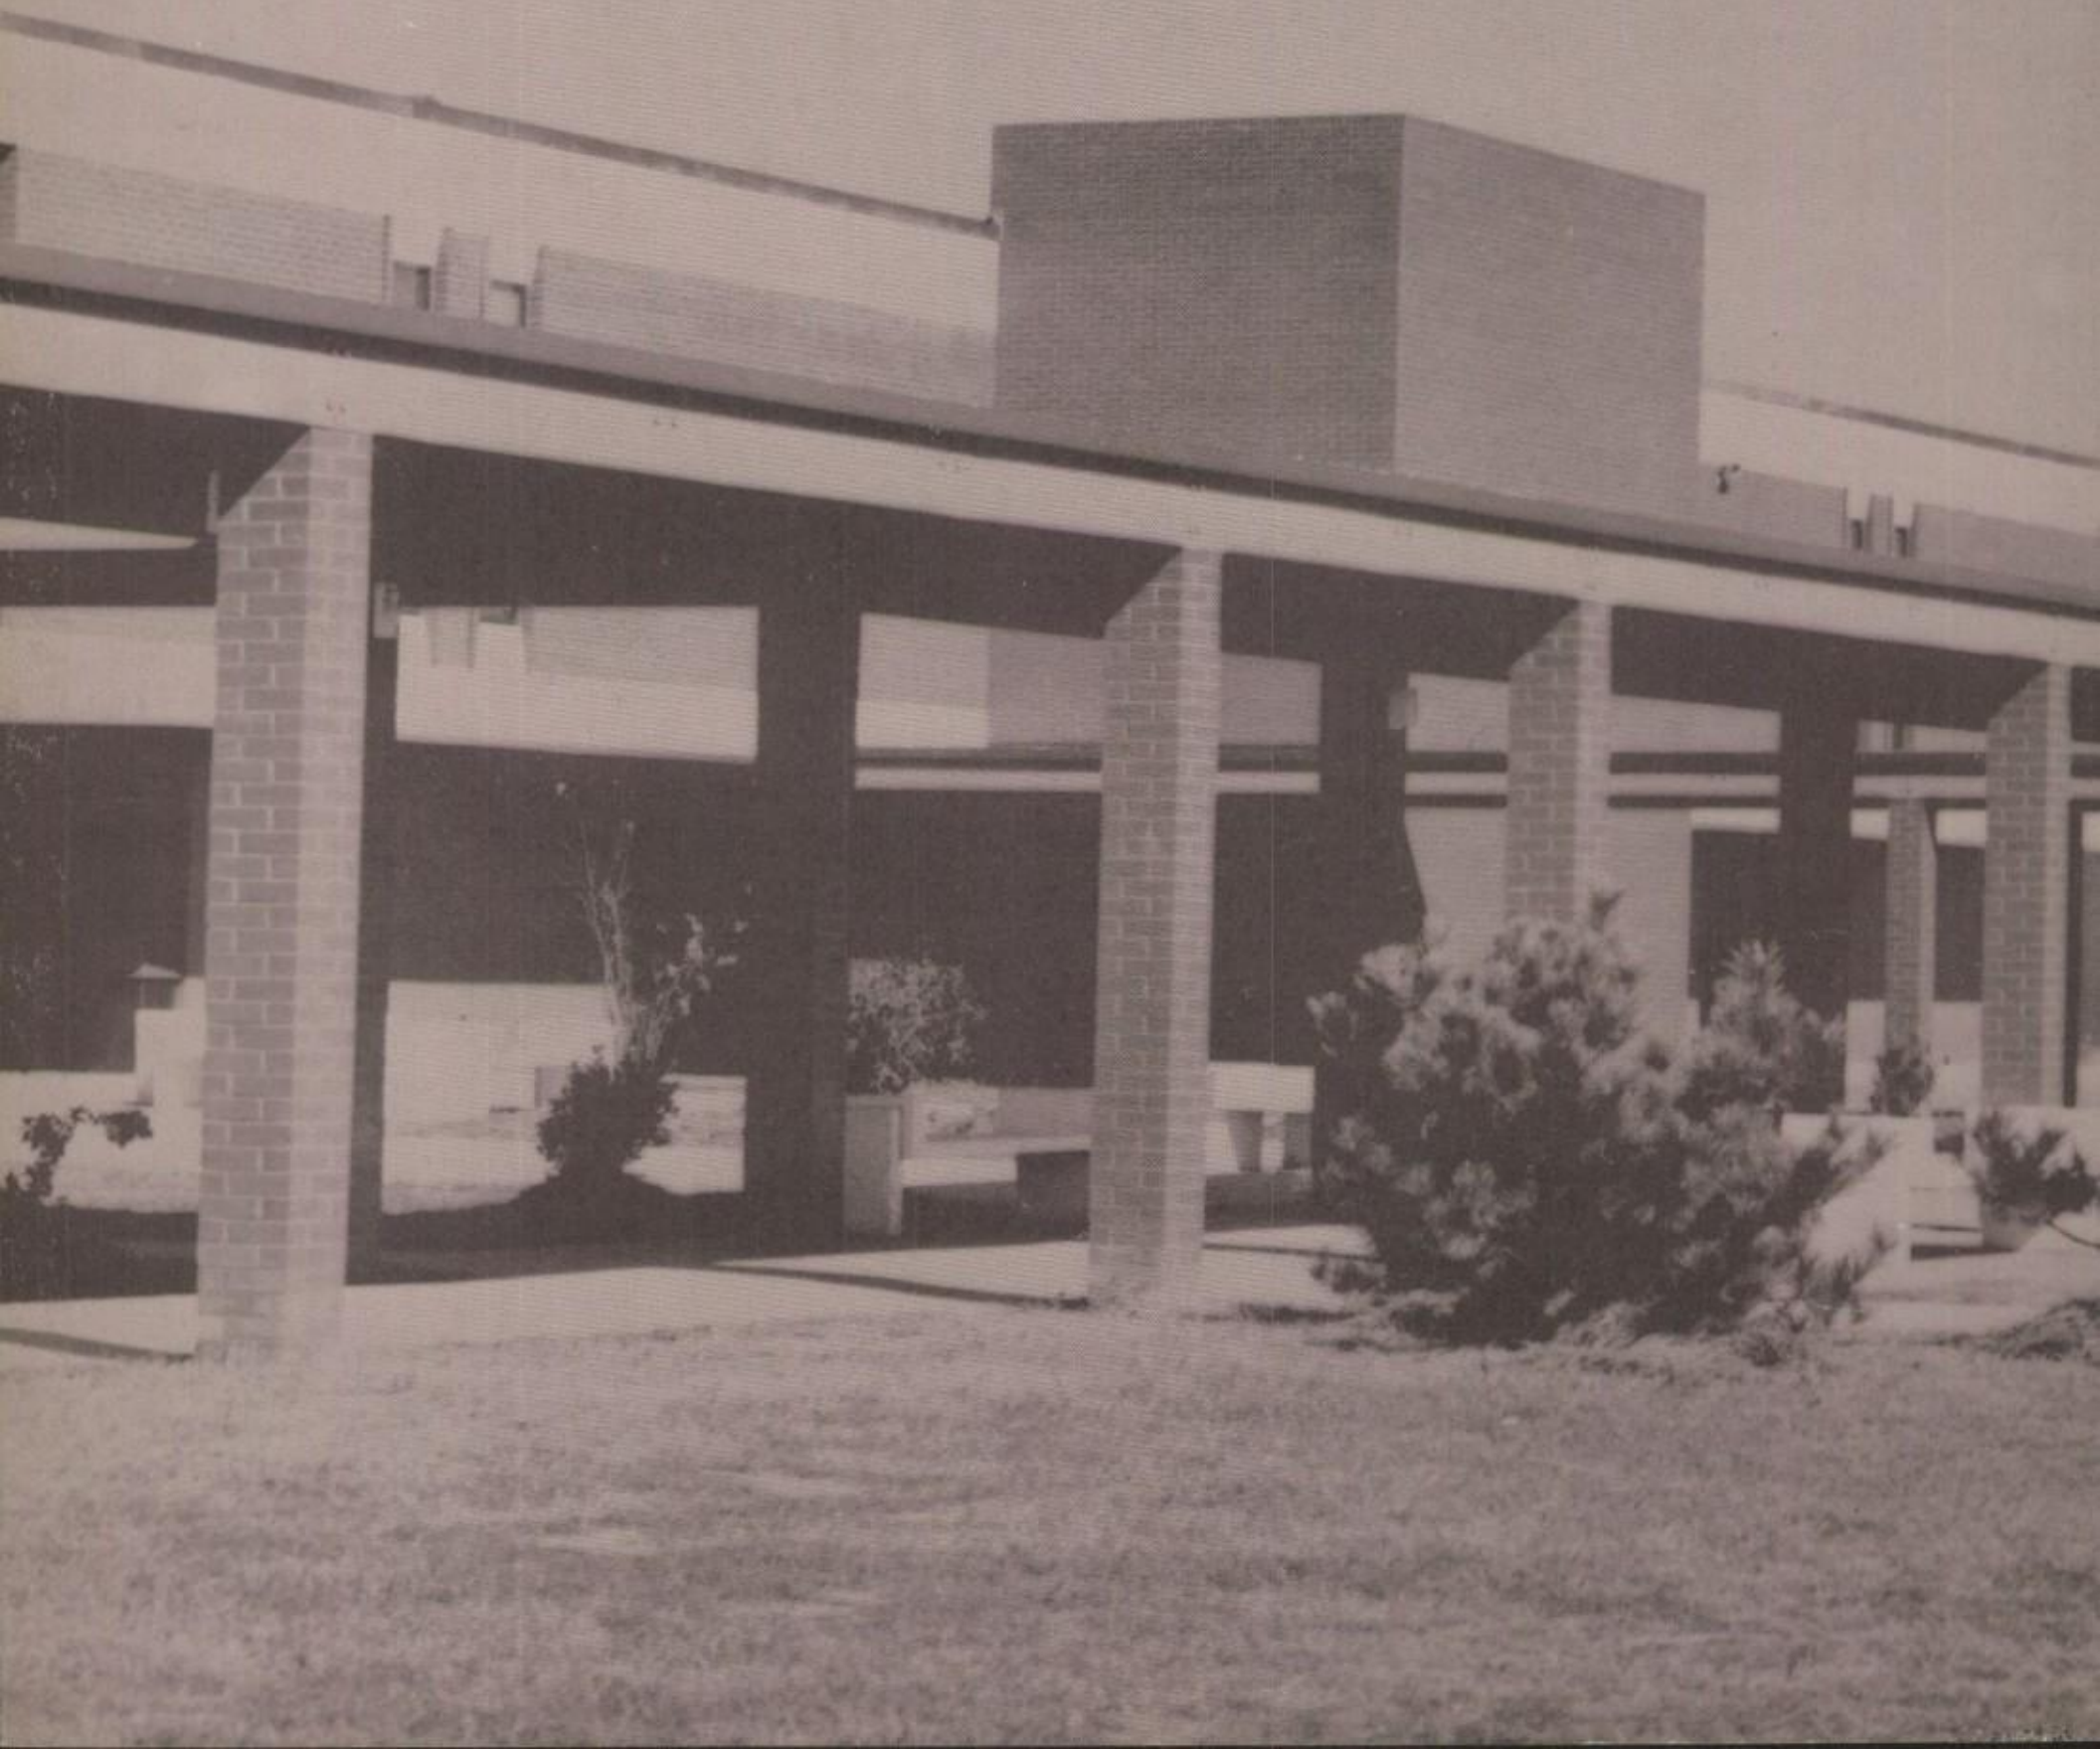

Howard,
It has really been
great being around but
it seems as though our
time is up and we must
move on. We were really
not to talk all that much
but you always had the
right comment at the
right time. Let's come +
let hope to see you in the
future.

Love ya,
Phoraa Dandoy

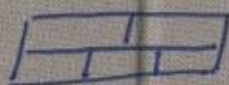

Howard,

I've really enjoyed getting
to know you better this
year. You're a really sweet
guy with a great personality.
I hope we can stay in
touch. Take care.

Love Yp,

Kelly Luen. ☺

Go
For
it.
